

# JUDGES NEEDED

*"I judge to give back to my community" - Raegan*

*"I judge to inspire the next generation" - Heather*

*"Judging is the team outing that we look forward to all year" - Bosch Motorsport*

## Judge Requirements:

- Desire to help others
- Excitement and enthusiasm
- Bachelor's Degree or current student

*Make us your next team outing or CSR activity!*

## Multiple Opportunities

### All STEM Fields are Needed:

- |                 |                       |
|-----------------|-----------------------|
| Health Sciences | Computer Science      |
| Animal Sciences | Engineering           |
| Biology         | Psychology            |
| Chemistry       | Environmental Science |
| Agriculture     | Robotics              |
| Mathematics     | and more              |

### Middle + High School Prelims

Virtual, Project Review (w/ a judging rubric)  
March 11 - 19 - on your schedule

### Middle + High School Finalist

In-person, Student Interviews (w/ a rubric)  
March 22 @ UM-Flint

### Elementary

In-person, Student Interviews (w/ a rubric)  
April 24 @ Sloan Museum of Discovery

# About the FRSEF

The Flint Regional Science and Engineering Fair's mission is to inspire and empower curiosity, investigation and understanding through science and engineering. We are proud to have served students since 1957 as an all-volunteer non-profit.

The FRSEF works with the greater community to serve students: (550+ in 2024)

- Grades 3-12 from public, private, charter and home schools.
- Flint, Saginaw, Midland, Lansing, Port Huron, Traverse City and across mid-Michigan.

## Partnership Opportunities

**Professional Awards + Scholarships**

\$100 - \$1,000+

Recognize the work of more students and in specific areas (ex. geology, computer engineering, environmental studies, medicine)

- Awards include cash, tools, certificates, scholarships and more

## Why Science Fair?

Science Fair is the vehicle for developing students for the STEM workforce of tomorrow.

## Flint Regional vs Everybody

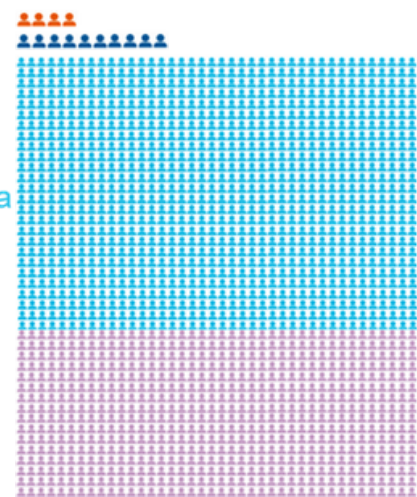

The top placing projects at the FRSEF directly qualify to compete at the **International Science and Engineering Fair (ISEF)** and **GENIUS Olympiad**.

- ISEF = world's largest science and engineering fair
- 1,600+ students from 60+ countries
- FRSEF students have won at 10 consecutive ISEFs
- FRSEF students demonstrate to the world the talent and determination of our Michigan students.

4 Flint Regional  
10 Michigan

1000 North America

600 rest of the world

## Recent FRSEF Awards at International Science and Engineering Fair

**Best in Category**  
Biomedical Engineering

**2nd Award**  
Behavioral & Social Science

**US Air Force**  
x2

**3rd Award**  
x3

**Society for Experimental Mechanics**  
x2

**Best in Category**  
Biomedicine & Health

**4th Award**  
x5

**DCAT**

**USAID**  
Science for Development
